

## POLICY FOR THE PROMOTION OF RESEARCH

- Research as a component of higher education has to be strengthened.
- To motivate the faculty for doing Ph.D research, the Management is collecting minimum fee for those who register for Ph.D in our institution.
- Seed money will be given for those who pursue research leading to Ph.D.
- Recognized research supervisors have to make sincere efforts to produce M.Phil/Ph.D degrees to develop research culture in the campus.
- Every department has to organize atleast one seminar/workshop every year on research theme/methodology.
- Every teacher with M.Phil/Ph.D qualification has to publish a minimum of one paper every year in a referred journal.
- Faculty members are eligible for an increment after completing Ph.D in her discipline.
- Similarly staff members are eligible for an increment after completing National Eligibility Test/State Eligibility Test.
- For publishing paper in an International/National journal approved by the UGC, concerned teacher is eligible for an incentive.
- For publishing a book in the discipline of the author, the teacher deserves for an incentive.
