RESEARCH ETHICS COMMITTEE

Code of Ethics in Research

Our institution adheres to the code of ethics and ethical research policies. The code of ethics is focused to check the malpractices and plagiarism in research work done by faculty, the research scholars and students at P.K.R. Research Ethics Committees protects the rights, safety, dignity and wellbeing of research participants and investigators. Managing the Research Ethics Committee is a core function of the Centre for Research and Development at the institution.

- Research scholars should undertake their research work in compliance with the policies and regulations of the University and the Institution.
- Research Ethics Committee ensures that all the research activities undertaken by the research scholars comply with the provisions formulated by the UGC in its draft policy, "Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institution Regulations, 2018".

Principles:

The institution is bound with the following cherished principles enriched with the values of vision and mission of the college.

1. Researchers are expected to maintain the highest principles of honesty and integrity at all times.
2. They must have respect for themselves, their associates, the professional and academic community, society and nature.
3. The research work should be free from bias in the outline of methodology, data analysis and data interpretation.
4. To promote plagiarism free research, access to URKUND - <https://b-u.ac.in/plagiarism-check> available at Bharathiar University, www.paperpass.net and open source tools/ software such as "Plagiarism Checker", "Plagiarism Checker X", etc., are recommended.
